A short background for those of you who receive this invitation for the first time: in order to establish a meeting place for young-minded professionals in the greater Milan area, an aperitivo was organized in June 2002 for the Swedish community as well as for those who work for Swedish companies. Building and maintaining both a professional and private network is time consuming and often hard to fit into today's otherwise busy schedule. These semi-regular gatherings give us an opportunity to relax, build relations and benefit from our professional and personal backgrounds. During the autumn of 2002, invitations for the aperitivo were extended to all Nordic natives.

Should you wish to be removed from our mailing list, simply send a blank e-mail to [info@aperitivoklubben.com](mailto:info@aperitivoklubben.com) with "Remove" in the subject line
