A short background for those of you who receive this invitation for the first time:

In order to establish a meeting place for young-minded professionals in the greater Milan area, an aperitivo was organized in June 2002 for the Swedish community as well as for those who work for Swedish companies. Building and maintaining both a professional and a private network is time consuming and usually hard to fit into today's otherwise busy schedule.

These semi-regular gatherings give us an opportunity to relax, build relations and benefit from our professional and personal backgrounds. During autumn 2002, invitations for the aperitivo were extended to all Nordic natives.

Should you wish to be removed from our mailing list, kindly let us know by sending an e-mail to [info@aperitivoklubben.com](mailto:info@aperitivoklubben.com) with the subject "Remove"

## New Saab 93 Convertible

In occasione della serata dedicata all'Aperitivo Klubben, non poteva mancare Saab Automobili Italia; Saab infatti ha sempre fatto del design e della funzionalità uno dei suoi punti di forza. In particolare, l'ultima nata di casa Saab, la 9-3 Cabriolet rappresenta una perfetta sintesi di forma e sostanza. Le sue caratteristiche innovative sviluppano ulteriormente il concetto Saab, secondo cui un'auto scoperta dovrebbe essere "molto più di una semplice decappottabile". Infatti il binomio piacere di guida - comfort raggiunge livelli di eccellenza in questa ultima versione della Cabriolet con cui Saab festeggia i 20 anni di permanenza in questo segmento di mercato da lei stessa inventato.

On occasion of the special night dedicated to the "Aperitivo Klubben", Saab Automobili Italia could not possibly be left out of the celebration. Design and functionality have always been and are still Saab's remarkable points of strength. The new Saab 9-3 Convertible represents to the fullest a wonderful combination of elegant form and rich consistency. Its innovative characteristics have gone beyond Saab's concept stating that "an open car should be much more than a simple convertible". The unequalled pleasure of driving and comfort reaches the highest levels of excellence on this latest Convertible version when Saab celebrates its 20th anniversary of a rock solid presence in a competitive market segment created all by itself.
